Letter from the Editor

Dear Class of 2012,

This is it. This is the moment we've all been waiting for. We're graduating. We are on the very cusp of the rest of our lives. But what lies ahead for us? It's truly a mystery.

This mysterious yet exciting thought was the inspiration for the theme of this year's book. I must say, my two years on yearbook staff have been a highlight of my high school experience and this book was an absolute joy to construct. I would like to thank Mrs. McDonald, our fearless leader, and the entire yearbook staff for their enthusiasm and passion for creating the best book possible. I hope you all enjoy the 2012 Canal Currents Yearbook as much as we all did making it!

Our senior year was most definitely an unforgettable one, one that we'll look back on when we're old and retired and say "Wow, what a year." Our annual spirit week proved that we've got Canalmen pride to spare, all building up to the Purple and White Pep Rally where we, seniors, left the underclassmen in a cloud of dust during the presentation of spirit links, and later on proved our spooky side by winning the Class Float contest for the third year in a row!

But wait! There was more! We were given the chance to witness history. We stood in the stands, screaming at the top of our lungs as our Bourne High School football players won the Superbowl, topping off a perfect season. It doesn't get much better than that.

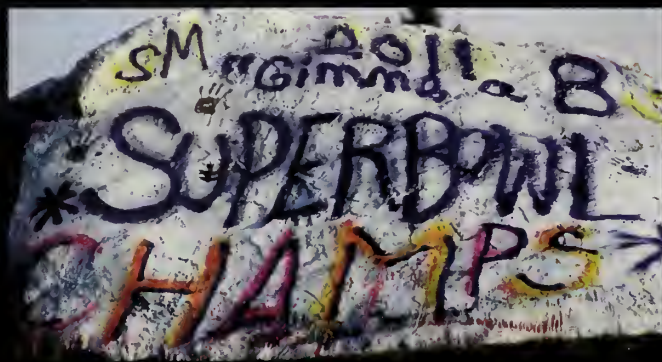

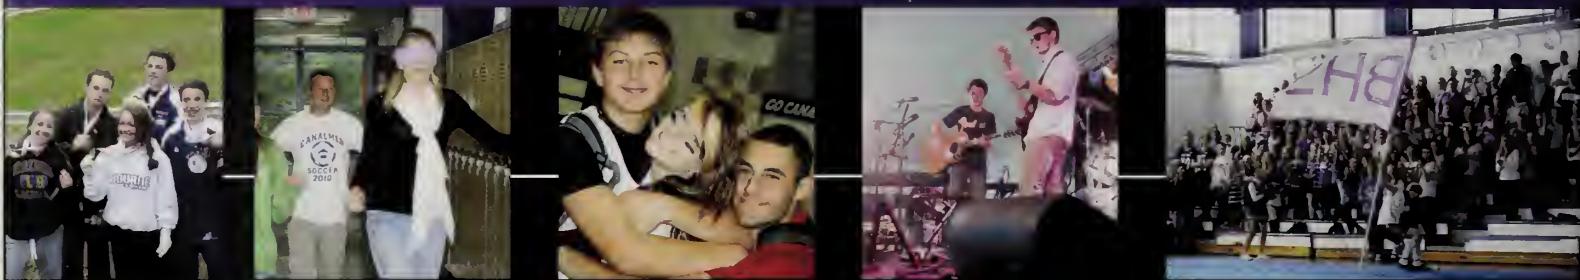

Before we all go our separate ways and start a whole new chapter in our lives, I have just a few last words to say to you all:

"While you still can, Carpe Diem, before there is no day left to seize. Search for the silver linings and notice hope when you see it. Remember your past without regret, and walk towards your future, without worry. And love as if tomorrow everything you hold dear, will be seized by the day."

It's been one heck of a ride, Class of 2012. I wish you all nothing but the best in every endeavor you tackle in your life, look back at these days as the good times, but always be ready for that next great memory. The world is in the palms of our hands now, and it's our responsibility to decide what to do with it.

Carpe Diem!
From Here to Eternity,
Chelsea Boulrisse

It has been confirmed with reliable sources that the students and staff of Bourne High School have had a fantastic fall season, filled with sporting events, theatrical performances, school spirit and all of the hoopla of the excitement!

Homecoming at Bourne High School is anything but boring, but this year's theme added a fun (and spooky!) twist. For the annual Homecoming dance, students sharpened their fangs and donned their craziest costumes, in hopes of winning one of the costume prizes to be handed out that night.

A 'Striking' Performance. The Bourne High School Drama Club put on a remarkable production of the 1950's musical *The Pajama Game*. A story about an unconventional romance brewing in the heat of a labor debate, *The Pajama Game* originates from Richard Bissell's novel "7 1/2 cents" and features catchy music and thrilling dance numbers. The story involves a labor dispute within a pajama factory and a demand for that "7 1/2 cent" raise. Despite the circumstances, the head of the grievance committee ends up in an unlikely romance with new Superintendent Sid Sorokin. Their relationship goes through its ups and downs, but as Shakespeare famously wrote, "All's Well That Ends Well".

Fall Sports

It's truly been a super season this fall. Starting a week before school, every sports came into the heat with their sights set on a great seasons. With Boys Soccer qualifying for states and the Girls super Senior Night comeback win against ORR, volleyball's amazing season, qualifying for States and going to the second round, girls field hockey having an overall super season with some key victories...everyone felt the glory of winning. Both Girls and Boys Cross Country broke more records than ever before, and of course the astounding football season of the undefeated South Coast Conference Champions and winning the Division 3A Super Bowl the first time ever. There's no secret to their success: hard work, dedication, and school spirit made for a great season!

Not since 2004 had BHS earned a playoff berth. Not since 1982 had the Canalmen won a Superbowl title. All that changed in 2011. BHS made history with an undefeated record, an Otto Graham winning player, and a Division 3 Coach of the Year.

Girouard, Moriarty, Jack Schmitt, Pereira, Lanoie and Epps were named to the South Coast Conference All-Star team. Epps was also named to the Boston Globe and Boston Herald All-Scholastic All-Star teams. Tom Davis and Connor Schmitt each received SCC All-Star Honorable Mention and Jack Schmitt received the Sportsmanship Award.

Who Da Vu Da?

This Season meant much more to the Lady Canalmen than showed through their record. They walked off the field missing States by a few points but there were many events that will always be frozen in time. From the many enjoyable team dinners to the amazing comeback win during Senior night against the undefeated ORR Bulldogs, this season held much for the Lady Canalmen to be proud of.

As we say "Good Bye" to the amazing four Seniors, they will always be remebered and incredbly missed from their help on the field to the many laughs and stories that were shared.

SENIOR GIRLS

AS A SPORT that is used to being under the radar, Cross Country made some noise this year. Twenty-two eager runners joined the team, the most by far that the team has seen in years. There were ten girl runners, eight of them veterans, and twelve boy runners, with ten of them returning for another season.

Another remarkable change this year was the team of dedicated, experienced coaches. This year, there were four of them, all bringing their own special additions to the team.

The team of ten girls this year included Captains Hannah MacKenzie and Morgan Flannery, Seniors Kelly "MadDog" McGuire, Michele "Disco" Newby, and Megan "BiG M3Gz" Stoutenburgh, Juniors Olivia "Eli" Cotton, Becca Lewis, and Casa Warren, Sophomore Molina "MoMo" Oung, and Freshman Annie O'Meara.

The team of twelve guys consisted of Captain Hunter Silva, Seniors Lucas Roy, Ryan McKenna, and Alex Longo, Juniors Cully "Moose" Gomes, Keegan Throop, Kevin Cole, and Joseph "Miami" Martinez, Sophomores Rob "Robby Rocket" Ruggeri and Louis Cirillo, and Freshmen John Moylan and John "Mickey" McWade.

The team raced in the South Coast Conference meet with the girls finishing 2nd and the boys finishing 3rd. Kelly McGuire, Michele Newby, and Hunter Silva came in the Top Fifteen and medaled. The team moved on to Divisionals where the girls placed 23rd and the boys placed 10th. Lucas Roy qualified for the States meet and finished in 88th place. The 2011 season was very successful for the team. The team has not placed this high in years.

It's no mystery that wintertime at Bourne High School offers up many activities to fill the cold winter months. Basketball games and musicals plus endless holiday fundraisers and events make winter in Bourne a hotbed of activity and excitement.

Three Teams One Goal

"Get out of your mind"

Overall, the Lady Canalmen have had a truly amazing season. From Freshmen to Varsity victories were present. Varsity's walked off the court with a record of 9-11-0. Their record was nothing close of an example of their skills on the court, losing six games by less than five points each and winning three by more than five points, the Lady Canalmen suffered a lot of heart-aching games. There are many things that the ladies will take away from this season.

From the new friendships, the many team dinners and sleepovers, to the many famous Charlie Brown's that left everyone with stomach aches from laughing too hard, there are so many memories that will never be forgotten. Someone whom all the ladies would like to thank, is our Coach Mike Tierney, who had the ability to make us laugh and cry of fear at the same time. And as our lone Senior, Kenize leaves the Court forever, everyone knows there will be a big gap. From her aggressive game on the court to her way to make us laugh in even the toughest practices, she is going to be missed and never be replaced.

Club members Olivia Cotton, Cassidy O'Connor, Melissa Ladner, Katie Perkoski and club advisor Una Williams get first-hand experience on the dangers of driving distracted thanks to a Distracted Driving Simulator experience, sponsored by a local insurance company.

Left: After nearly a year of planning, members of SADD and Interact were able to bring a powerful presentation to their classmates and peers addressing the topic of distracted driving. The presentation consisted of an introduction from President Shannon Devaney, video clips, an information session with law enforcement officials in town, and an EMT/firefighter who works and resides on the Cape. A survey was taken by SADD members at the end of a school day revealing how many students were on their cell phones while behind the wheel before even leaving campus. The results were alarming to both students and faculty. The presentation had a powerful effect on most students, so much so that it was talked about for weeks after.

Environmental Club

Only Bitter People Litter! The Environmental Club show off their signs to encourage environmental awareness and actions to protect it. The E-Club involved themselves with several projects this year to support their cause. They teamed up with the National Honors Society to help clean a portion of the National Seashore, they volunteered at the annual Canal Clean-Up and sold t-shirts to help spread the word about being more eco-friendly.

Prom Fashion Show

As prom season began to come around, the class of 2013 decided to continue the tradition at Bourne High, by hosting a prom fashion show. 20 boys and girls came out to show off their prom fever in the BHS auditorium. With each one modeling dresses and tuxes from Sposabella Bridal, parents and classmates looked on drawing ideas for dresses, hairstyles, and tuxes. The show was a success, and got many students pumped for the real night a few months later.

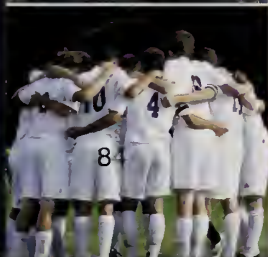

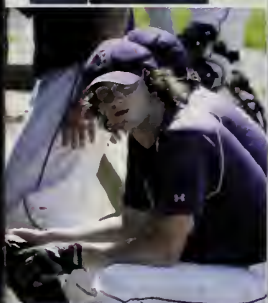

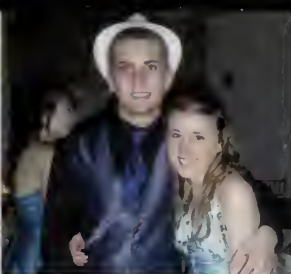

After-Prom at BHS

After prom drew to a close at Willowbend, students brought the party back to Bourne High School at midnight for a five hour, night long prom party. Activities included, a bungee run, wrecking ball, adrenaline rush, lazer tag, and even a mechanical bull. The library was transformed into a casino, and there was never a lack of activities with a photobooth, fortune teller and caricature artist. Even ping pong battles lasted into the wee hours of the morning!

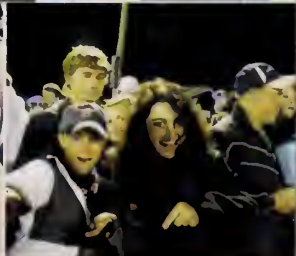

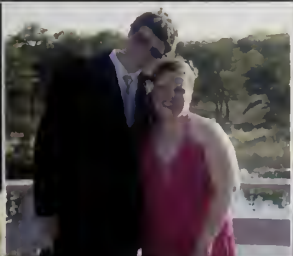

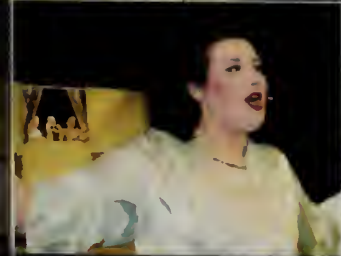

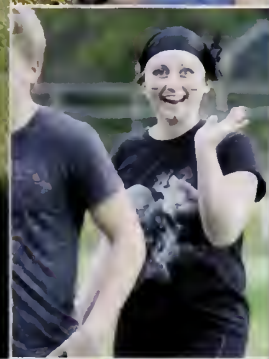

3 AM & Still Smiling: Top Left, Cody Black & Taylor Hebb shoot a smile while watching an early morning ping pong match. Top Right, Ben Haskell & Kelsey Griggs strike a pose in the photobooth. Left, Justin Breton holds on as the mechanical bull tries to whip him off.

The Class of 2012

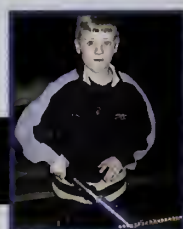

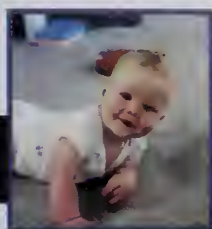

Dedication....

Patric McCarthy

The BHS Class of 2012 dedicates the senior section of this yearbook to the memory of our dear classmate Patric. Although he left us in fourth grade, his spirit forever will live in our hearts.

When we see a squirt take the ice at Gallo for the first time, or a youngster chase friends at Queen Sewell Park, when a boy casts a line for a fish at Bump's Pond or the Canal, or runs his car at the Pinewood Derby, we will remember Patric and how much joy he brought to his family and his friends.

Oct. 12, 1993- Oct. 13, 2003

Right: Mrs. Howarth's fourth grade class rest up after planting flowers in Patric's memory at Queen Sewell park, lovingly renamed Patric's Place. The park, located in the very neighborhood where his family lives, was one of his favorite spots. Below: a star marks the entrance to the park, a reminder to all of what a star Patric was and will forever be in the hearts of those who loved (and continue to love) him.

Mr. BHS

It's Party Time, Seniors!!!

The Bourne High School Class of 2012 is counting down to the final days in the place where they have spent their last four years. They grew up together, and now their paths are changing. But before we cross that bridge, we let loose for one last week together, and possibly begin some new traditions at BHS.

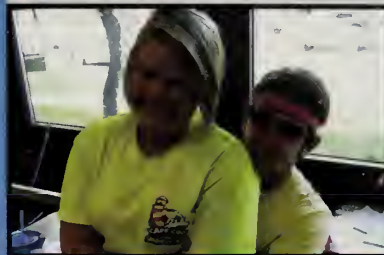

Senior Spirit Week
 MONDAY: Superhero Day
 TUESDAY: PJ Day
 WEDNESDAY: Western Day
 THURSDAY: Jersday
 FRIDAY: Neon Day

Here They Come to Save the Day! Seniors dress up as their favorite superheroes, set to fight any crime that walks these Bourne High halls.

Be Bold, Be Bright, Be Bourne! Neon Friday showed an impressive turnout of seniors dressing up in their brightest, wackiest, tackiest, and craziest colors!

Jersey Shore- Cape Cod Edition! Ms. Casey's A Block Literature class flaunts their Jersey attitudes, along with their fake tans and aviator shades.

This year's senior class decided that just a cookout was not going to be enough time for everyone to spend together after graduation rehearsal. The solution? A good old fashioned field day! Dozens of students flocked to the field to play capture the flag, tug of war, and even throw some water balloons at each other.

A Day to Play Team "Warlock" celebrates their victory in the capture the flag game in the first annual Senior Field Day

Bourne High Takes Boston!

This year's class trip took the BHS seniors to Bean Town. They started with lunch at the famous Hard Rock Cafe surrounded by music memorabilia of the rock and roll greats. After a group photo on the Hard Rock stage, the students headed off to the basement of the Charles Playhouse to watch "Shear Madness" an improv murder mystery show that allows much of the audience to interact and participate in the show. Needless to say numerous laughs and memories were had that day. It's no mystery that the senior class trip was enjoyed by all.

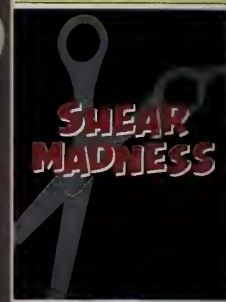

Mr. Ergo Tomas Garcia and Shelby Majure enjoy their time at the Shear Madness, ergo the day was a success.

Theater aficionado Eric Kowalski and Jikone Norton sneak a smile at a soon-to-be-stowed camera. No photos, period!

PLAYBILL

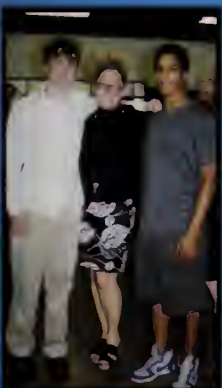

The Shadow of Greenpeace Patricia Dionne smiles for a picture beneath the displayed guitar of one of the many Rock Gods to grace the walls of the cafe.

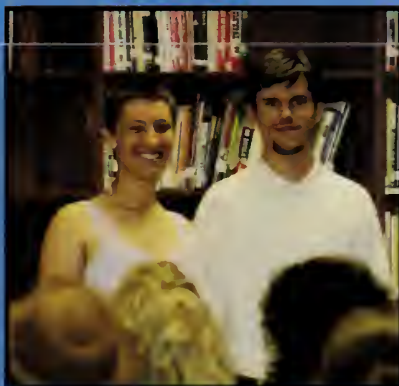

Ready to Rock Jamason Wenzel enjoys his lunch at the Hard Rock Cafe with his classmates.

Ana Galkowski doesn't let her crutches stop her! She took home the coveted laptop computer award, with a little help from her friends!

Senior Awards

"Pale Blue Dot is the emptiness of space. It's to have us any meaning in life, then that's fine. It's simply a challenge to us to find meaning out of our own existence. The pale blue dot is the only home we've ever known, and the people here are the only family we'll ever know. So let's take up our morning and let's take up our family." - Max Trask, Co-Salutatorian

* \$566,804—the amount of scholarship money awarded to 2012 BHS grads *

"We forget the power of our words. All of us have heard the saying 'Carpe Diem!' 'Seize the Day' and most recently 'YOLO.' To some it seems that those words have lost their meaning... But when you think about it, everyday is another opportunity to make your life extraordinary." -Chelsea Boulrisse, Co-Salutatorian

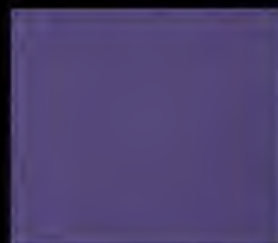

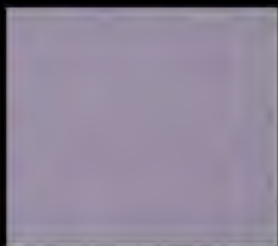

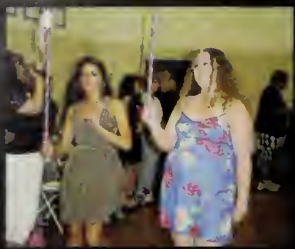

A Passionate Delivery Honor Essayist Adam McCarthy spoke in truly dramatic fashion about the importance of learning from his mistakes, as well as embracing all BHS had to offer.

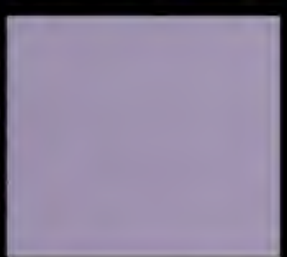

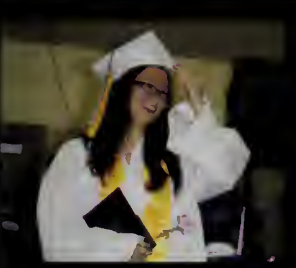

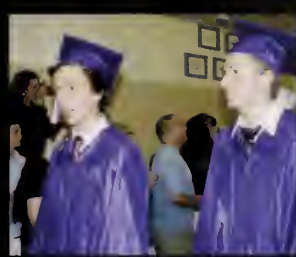

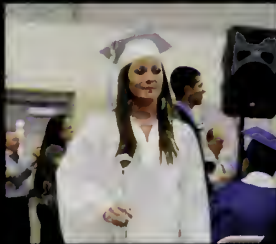

...and a family member, J. McCarthy, proudly accepted the diploma on behalf of their family.

"Success" by Ralph Waldo Emerson
 To laugh often and much;
 To win the respect of intelligent people
 and the affection of children;
 To earn the appreciation of honest critics
 and endure the betrayal of false friends;
 To appreciate beauty, to find the best in others;
 To leave the world a bit better, whether by a healthy child,
 a garden patch or a redeemed social condition;
 To know even one life has breathed easier because you have lived.
 This is to have succeeded.

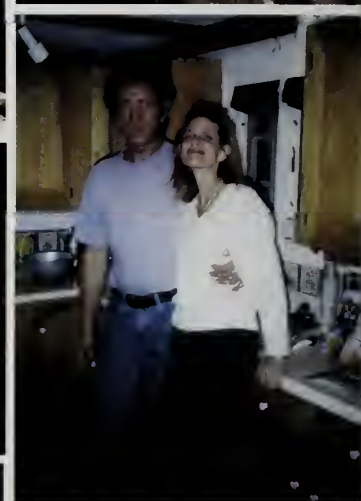

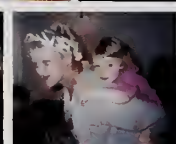

We have all breathed easier because of you!
 Eddie, you grew from a fine young man into a great
 young man! We are very proud of you,
 Love, Dad & Meg

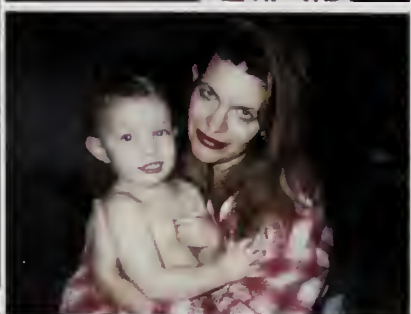

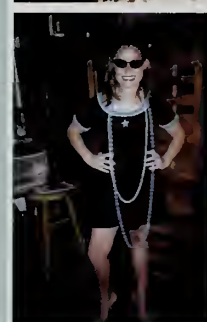

You will always be my "Neds!"
 Love, Nana & Granpa Joe
 To infinity and beyond Eddie!
 Mom, Aleah, Nana, Auntie Di & Renee xo

Congrats with so much love...

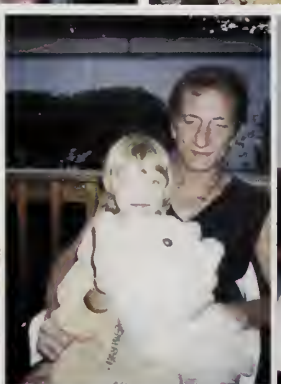

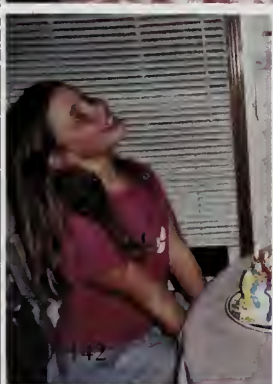

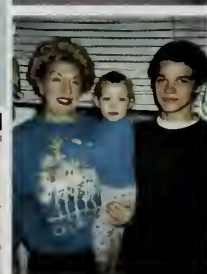

Anastasia Galkowski
 Anastasia, the one and only!
 The beauty that makes anyone
 smile,
 The brains that stand any trial,
 The beast that mounts any
 pony!

At this big step in her life
 she'll stride forward to a future

 Since the day of her raucous
 birth
 It was never a question -
 She'll be the woman
 who conquers this Earth!

We love you so much Ana --
 Be true to your amazing self,
 forever.

Class of 2012

"May the good Lord be with you down every road you roam
And may sunshine and happiness surround you when you're far from home

May you grow to be proud, dignified and true
And do unto others as you would have done to you
Be courageous and be brave, and in our hearts you'll always stay
Forever young.

May good fortune be with you and your guiding light be strong
Build a stairway to heaven with a prince or a vagabond
Never love in vain and in your hearts you will remain
Forever young.

For all the wisdom of a lifetime no one can ever tell
But whatever road you choose, we are behind you...win or lose
Forever young.

"To laugh often and much; to win the respect of
intelligent people and the affection of children;
to earn the appreciation of honest critics and
endure the betrayal of false friends; to appreciate
beauty; to find the best in others; to leave the
world a bit better, whether by a healthy child, a
garden patch or a redeemed social condition; to
know even one life has breathed easier because
you have lived. This is to have succeeded."

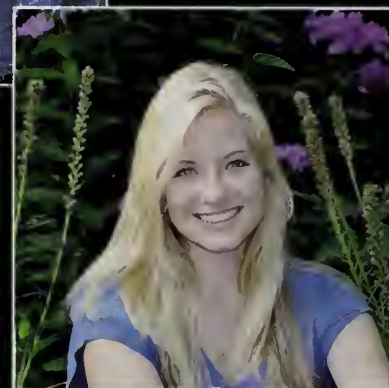

Ralph Waldo Emerson
US essayist & poet (1803 - 1882)

you home again
Go on, take on this whole world..."

Alexandra Lee Wing

To our beautiful daughter, Alexandra Lee Wing:
Lyrics by: LeeAnn Womack

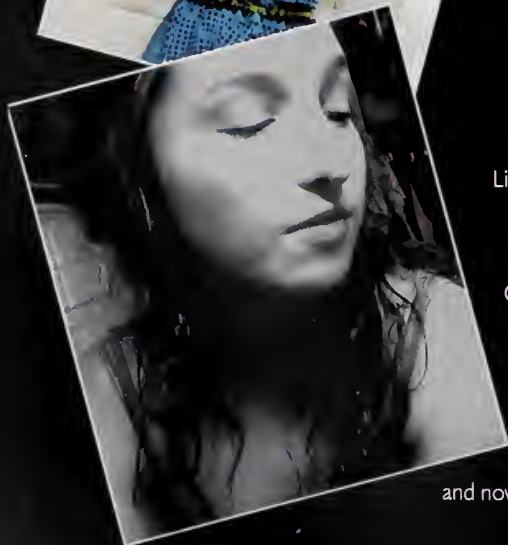

I hope you never lose your sense of wonder,
You get your fill to eat but always keep that hunger,
May you never take one single breath for granted,
GOD forbid love ever leave you empty handed,
I hope you still feel small when you stand beside the ocean,
Whenever one door closes I hope one more opens,
Promise me that you'll give faith a fighting chance,
And when you get the choice to sit it out or dance.

I hope you dance....I hope you dance.

I hope you never fear those mountains in the distance,
Never settle for the path of least resistance,
Living might mean taking chances but they're worth taking,
Loving might be a mistake but it's worth making,
Don't let some hell bent heart leave you bitter,
When you come close to selling out...reconsider,
Give the heavens above more than just a passing glance,
And when you get the choice to sit it out or dance.

I hope you dance....I hope you dance.
Dance....I hope you dance.

Allie, God blessed our family with you,
and now it's time for the rest of the world to get to know our blessing.
Make the most out of every day, every opportunity,
and always believe in your dreams!
We love you, Mom and Dad.

Congratulations BHS Yearbook Staff on a job well done!!

Parker and Dominic,

Congratulations on
your graduation!
Now the world is your stage.
We wish you the best of luck
